More information about how to apply for a visa can be accessed here:

<https://immi.homeaffairs.gov.au/visas/getting-a-visa/vi-sa-finder/study>

Once you have received your visa, you must abide by its conditions. If you don't, your visa may be cancelled. Conditions include (but are not limited to):

- Satisfy course progress requirements and maintain a valid enrolment for your course.
- Only work if you have been given permission to do so as part of your visagrant (and not work more than the stipulated number of hours).
- Maintain approved Overseas Student Health Cover (OSHC) while in Australia.
- Notify your training provider of your Australian address and any subsequent changes of address within 7 days.
- Complete the course within the duration specified in the CoE you received.
- Remain with the principal education provider for 6 months unless you are issued with a letter of release from the education provider to attend another institution.

WHAT IS A USI AND WHY DO I NEED ONE?

USI is the acronym for Unique Student Identifier. It is a reference number that creates an online record of your training and qualifications attained in Australia. If you don't have a USI, then you can't be awarded your qualification or statement of attainment.

Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption

issued by the USI registrar) that as a student you must provide us with your USI. For information about USIs including how to create one visit <https://www.usi.gov.au/>.

For information on exemptions visit: <https://www.usi.gov.au/exemptions>. If you are having trouble creating a USI, we will assist you during the orientation session on the first day.

EDUCATION AGENTS

Novus Education uses education agents to assist us to recruit students. We have written agreements in place to ensure ethical practices as we hold our responsibility to our students, the sector and reputation of the VET industry in Australia very seriously. A list of approved education agents can be found on our website at: <https://novus.edu.au/>

RPL AND CREDIT TRANSFER

Credit transfer is a formal recognition of previous studies and can help to reduce the duration of your course, as well as fees. You may apply for a credit transfer for a complete unit or modules within a unit. There is no charge to apply for a credit transfer but you need to let us know that you want to apply for this on your application for enrolment form in the relevant section. You will need to provide a certified copy of your certificate either issued by another education provider or an authenticated VET transcript issued by the USI Registrar.

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised. You need to let us know that you want to apply for RPL at the time of application by indicating this on the application for enrolment form in the relevant section. There is a charge for RPL and this can be viewed in the 'Fees and Refunds' section of this handbook. RPL can also reduce your course duration and fees. We will inform you in writing of any reduced course duration and fees due to credit transfer and RPL and issue your CoE for the reduced duration of the course.

COURSE ORIENTATION

On the first day of your course, we will deliver an orientation session to you which includes an induction session. It's vital that you attend this as we will cover at least the following topics:

Course information.

- Facilities and resources available at our campus.
- Emergency evacuation procedures.
- Your rights and responsibilities as a student.
- Support services available.
- Legal, emergency and health services.
- Safety relevant to Australia and your environment.
- Critical incidents and critical incident reporting

- Policies about course progress, deferral, suspension and cancellation, course transfer and our complaints and appeals process.
- Student visa conditions related to course progress.
- Information about work rights.
- Question and answer session.
- Assistance in creating your USI if you have not done so already.

WHAT CAN I EXPECT DURING TRAINING AND ASSESSMENT?

Vocational training and assessment is all about practical and competency-based learning and assessment that is relevant to industry and our modern world.

You will learn in the classroom and/or the practical work environment where the industry conditions are simulated to prepare you for your chosen field. You are required to undertake a range of assessment activities dependent on the course you are undertaking. Your assessment tasks will either be marked as Satisfactory or Not Satisfactory and achievement of a Satisfactory result for all assessment tasks within a unit of competency results in a mark of Competent for that unit. Once you have received a mark of Competent for all units that make up the qualification– you will be eligible to be awarded your qualification.

REASSESSMENT ARRANGEMENTS

Arrangements for reassessment will be arranged with you directly with your trainer/assessor if, and as, necessary. You are entitled to two attempts at each assessment task and if you exhaust both attempts, then you will be required to pay an additional cost for re-assessment as outlined in the 'Fees and Refunds' information and this will also be outlined in your Student Agreement signed at enrolment. Please refer to the 'Fees and Refunds' section for more information.

We can't guarantee that you will be awarded your qualification as this is dependent on you and the work you put into your course. We will provide you with all

the necessary facilities, equipment, trainers and support to complete the qualification but the outcome of it depends on you. We also can't guarantee that you will find work in your chosen field, as this depends on factors beyond our control but what we can guarantee is that we will provide you with consistent training and an industry-relevant course with the support and guidance from a fantastic team of dedicated trainers who care about your individual progress. Each student matters to us and your positive outcome and successes are successes of our college community also.

SUPPORT AND WELFARE

We all need a little extra support sometimes and when you are living and studying overseas you may need a little bit more than you normally would. We are here to help you so don't ever be shy to let us know what you are going through and how we can help.

We offer the following in relation to support and welfare:

- One-to-one support from the trainer/assessor.
- Support with personal issues.
- Access to additional learning resources.
- Reasonable adjustment in assessment.
- Social events.
- Buddy program.
- Information about external sources of support.

You may not have studied for a while, may have English as a second language or need additional assistance with literacy or numeracy. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.

We have a range of information we can provide you with on a variety of issues this may be related to accommodation, legal or financial issues, cultural considerations, disability support, stress management or maybe you are experiencing a bout of home sickness. If you are experiencing it then we are concerned about it. Please communicate with us because we care. We don't charge for internal services but you will be responsible for any external provider costs

at the time you access the services. We can assist you to find local groups of like-minded people in the area, connect you with other students with similar interest groups or simply be a friendly listening ear when you need one.

Depending on your needs, we will provide you with a referral to the relevant local organisation and assist you to access services from them. Some support services are listed in our 'Important information about Australia' section of this handbook but it's best to come and speak to the Administration and Student Support Officer where you can have a confidential discussion and get the right type of service / support for your need or concern.

ISSUING CERTIFICATES

Once you have been found competent in all units you are enrolled in that make up your qualification and have paid all your relevant fees we will issue you with your qualification and record of results within 30 days. If you withdraw, meaning that you only partially complete your course, then you will be issued with a Statement of Attainment (SoA) within 30 days of withdrawal for all the relevant units that you have completed

as competent. We reserve the right to withhold the issuance of any certificates until all fees have been paid, except where we are not permitted to do so by law. We cannot issue your certificates if we do not have your USI on file, which is why we ensure upfront that you have created one, and assist you to do so at the time of orientation if you have not created one prior to this.

ISSUING CERTIFICATES

We are required by law to keep records of your qualification and units achieved for at least thirty (30) years. If you lose your statements or qualification, we can re-issue these to you for an additional charge. Refer to our 'Fees and Refunds' section for more information.

FEEDBACK

Your feedback is important to us! Like all businesses, we strive to improve and use feedback to make changes in line with continuous improvement. We want to make sure we are meeting the needs of current and future students so please let us know if something isn't right or you have a feedback suggestion by emailing or calling us.

You will also be provided with a Quality Indicator Survey which is issued by the National Centre for Vocation Education and Research (NCVER). You may also receive surveys from your trainer or the office from time to time. Please complete these and return as advised.

IF YOUR DETAILS CHANGE

From time to time your personal details may change. You might get a new mobile phone number, change your address or emergency contact details. It's actually a condition of your visa to notify us within 7 days if your address changes. If you ever notice that something isn't right with some of your personal information or our records please let us know so we can amend your records and correct it.

Nothing in this policy and procedure limits the rights of an individual to take action under Australia's Consumer Protection laws and it does not circumscribe an individual's rights to pursue other legal remedies.

COMPASSIONATE & COMPELLING CIRCUMSTANCES

You will find that many of our policies refer to compassionate and compelling circumstances so it is important to understand this term. Compassionate and compelling circumstances are personal circumstances that:

- are involuntary and outside your control, for example, medical, family, wellbeing, or enrolment circumstances, and
- present you with limited or no choice.

COURSE PROGRESS AND MONITORING

In order to maintain satisfactory course progress and attendance you must:

- satisfactorily complete all of your assessments
- actively participate in classes.

Your course progress will be monitored to make sure you are completing all of your assessments and actively participating in learning.

Please note you cannot be absent for more than 5 consecutive days without approval for a leave of absence. If you are absent we will contact you via SMS, phone calls and emails.

We may assess that you are at risk of unsatisfactory course progress if you:

- have an overall result of Not Yet Competent result for a unit

- do not attend classes on a regular basis
- do not participate in learning activities within the classroom.

An exception may be made where you are attending at least 70% of the course contact hours and is maintaining satisfactory progress.

In this case we will contact you in writing and issue you with a First Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and to agree on a plan to address this (an Intervention Strategy).

If following the First Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Second Warning Letter inviting you to attend a meeting with us to discuss your lack of progress and and to possibly adjust the Intervention Strategy agreed on.

If following the Second Warning Letter you either do not attend a meeting with us or continue to not make satisfactory course progress, we will send you a Notice of Intention to Report for Unsatisfactory Course Progress including the reasons for the notice.

This will mean you may be reported to the Department of Home Affairs with the risk of your visa being cancelled. You may appeal this decision (see section on complaints and appeals) but you must do so within 20 days of receiving the notice.

We will only report unsatisfactory course progress if:

- the internal and external complaints processes have been completed and the decision or recommendation supports our original decision; or
- you do not appeal the decision within the 20 working day period; or
- you do not access an external complaints and appeals process; or
- you withdraw from the internal or external appeals processes by notifying us in writing.

Please note that extensions to your course duration specified on the CoE will be allowed:

- if you can provide evidence of compassionate or compelling circumstances
- where you are participating in or about to participate in an intervention strategy because you are at risk of not meeting course progress.

ATTENDANCE

► Is Novus Education attendance based?

No. Novus Education has adopted and implemented the Department of Home Affairs (DHA) approved course progress policy and procedures for its courses. However, it does not mean that students can simply skip the classes. Students are required to attend classroom learning and assessment sessions, as academic performance is strongly linked to attendance. In a competency-based learning environment, certain skills must be demonstrated by students as part of their course, which is best achieved during in-class assessment sessions. Some course units require students to perform activities in class to be assessed.

Therefore, it is recommended that students maintain satisfactory attendance by regularly attending class to complete the necessary in-class assessments and achieve competency. Failure to obtain Novus Education's approval for missing or remaining absent from classes may negatively impact course progress and duration.

► Does Novus Education still record students' attendance?

Yes, attendance records are maintained to document students' participation and attendance during in-class assessment sessions. In case a student is unable to attend a scheduled class due to compassionate, compelling, or extenuating circumstances, they are required to inform Novus Education. This allows trainers and assessors to arrange for an alternate date to complete the missed session. However, absences due to reasons such as work schedules or family vacations are not considered valid reasons for missing a class.

DEFERRING YOUR COURSE

Novus Education allows you to defer your course. This means that your place is guaranteed but you can choose to delay the start of your course for up to 12 months.

To defer your course, you will need to complete a Deferral Form and provide evidence of compassionate or compelling circumstances.

If your request is approved, you will receive a new Student Agreement including a revised start date. It is important to check the impact on your visa by contact the Department of Home Affairs.

SUSPENDING YOUR COURSE

Novus Education allows you to suspend your course. This means that although you have commenced your studies you will be able to take a leave from your studies of up to 12 months. To suspend your course, you will need to complete a Leave of Absence Form and provide evidence of compassionate or compelling circumstances.

If your request is approved, you will receive a new Student Agreement including a revised start date. It is important to check the impact on your visa by contact the Department of Home Affairs. A leave of absence will not be approved if fees are unpaid.

TRANSFERRING COURSES

If you wish to transfer to another RTO or university within the first six months of your main course of study, you will need to apply for release from Novus Education. If you wish to transfer after six months you do not need permission for release (although you will still need to complete a withdrawal form see the section on deferral, suspension and cancellation).

For your application, the RTO or university you wish to transfer to must be registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). It is important to check this which you can do using the CRICOS course and institution search.

Novus Education will approve your request for transfer if:

- the course is academically unsuitable for you because you are not able to achieve satisfactory course progress at the level you are studying despite participating in an agreed Intervention Strategy
- you can prove that you need the transfer because of compassionate or compelling circumstances

- the course outlined in your Student Agreement has not been delivered
- you provide evidence that your reasonable expectations about the course are not being met
- you provide evidence of being misled by Novus Education, or by an education or migration agent, regarding the Novus Education or the course, and the course is therefore unsuitable.

Novus Education will not approve your request if:

- you do not provide satisfactory evidence of compassionate or compelling circumstances
- you cannot show that you have been participating in the agreed Intervention Strategy in order to achieve satisfactory course progress
- you have unpaid course fees for the current study period
- the transfer would put your progression through a package of courses at risk
- you require access to particular support services that have not yet been provided

HOW TO APPLY

If you wish to apply to transfer to another registered provider prior to completing six months your main course, you must complete a Withdrawal Form and attach a copy of the offer from the other RTO or university. The Withdrawal Form will require you to include a statement of your reasons for seeking release.

You will receive a notice advising you of the outcome within 10 working days of receipt of the form and valid enrolment offer. Where the request is granted, a Letter of Release will be provided to you. It is important for you to contact the DHA to seek advice on whether a new student visa is required. All refunds associated with course transfer will be in accordance with our Fees and Refunds policy.

APPEALING THE DECISION

If your application is unsuccessful, you will be advised in writing and you can access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

We will not finalise the refusal until the appeal process is complete and either finds in our favour or until the 20-working day period in which you can access the complaints and appeals process has passed.

HOW TO APPLY

Novus Education offers students the options to transfer to other courses within Novus Education. Novus Education will approve your request for transfer if you can show that:

- the course better meets your study capabilities and/or long-term goals
- you provide evidence that your reasonable expectations about the course are not being met.
- the transfer would put your progression through a package of courses at risk
- you require access to particular support services that have not yet been provided or offered to you
- there is evidence that you are trying to avoid being reported to DHA for failure to meet the provider's academic progress requirements
- you have unpaid course fees for the current study period.

Novus Education will not approve your request if:

APPEALING THE DECISION

If your application for internal transfer is unsuccessful, you will be advised in writing and you can access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision.

DISCONTINUING YOUR STUDIES

You may decide that study is not for you and choose to discontinue your studies. Before you make a final decision, however, it's a good idea to talk to us to help you to make an informed decision. If you no longer wish to continue with your studies with us, then you must complete

a Withdrawal Form. Make sure you carefully read the Fees and Refunds information so that you know how your decision affects your fees. Usually once you have commenced a study period (term) you won't be able to get a refund.

SUSPENDING OR CANCELLING YOUR ENROLMENT

It is important to understand that your enrolment may be cancelled or suspended by us in a range of circumstances:

- Misbehaviour (i.e., not abiding by the Student Code of Conduct as outlined in this Handbook).
- Not paying your course fees.
- Not making satisfactory course progress or attending classes as set out in this Handbook.

Where any of the above circumstances apply you will be contacting in writing to inform you of the intended suspension or cancellation and the reasons for this.

You will be given the opportunity to access our Complaints and Appeals Policy and Procedure to appeal the decision within 20 working days of receipt of the decision. We will report you to until the internal appeal process is complete, unless your health and wellbeing or that of others could be at risk. It is important for you to contact the DHA to seek advice on your student visa.
